Electricity bills to reach more than \$2600 by 2014

“HOUSEHOLDERS already reeling from sky-rocketing power bills face more pain with annual prices set to jump an average of \$702 to more than \$2600 by 2014.

The increase in SA will mean by 2014 the average SA household electricity bill will have more than doubled over the previous six years from \$1165 to \$2643.”
